Issue 1

11th September 2026

Welcome to our first newsletter of the academic year. We are delighted to welcome the many new families who have joined our school community this week, with more families due to start on Monday. We are sure you will join us in making everyone feel at home. It has been a very positive and successful start to the year, with exemplary behaviour across the school and children making wonderful progress as they settle back into their routines.

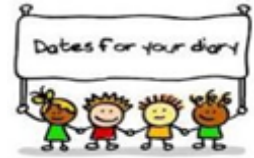

Over the next two weeks, we will be holding parent information sessions for each year group. These sessions provide a valuable opportunity to find out more about the curriculum and enrichment opportunities for the year ahead, as well as to meet the staff who will be working with your children. We hope to see many of you there.

A reminder that, although restrictions are in place, Arundel Road remains open to certain vehicles. It is therefore particularly important that children remain on the pavements when arriving at school and waiting for the gates to open. Accidents have occurred in the past, so we kindly ask that children line up safely against the railings and fences.

A big thank you for your continued support with our uniform policy. The children look incredibly smart, and wearing their uniform with pride helps to foster a strong sense of aspiration, belonging and pride in our school community.

Finally, we are thrilled to report a very promising start to the year in terms of attendance. Whole-school attendance is currently 95% for the week and an excellent 96.1% today. Thank you for your support in ensuring that your child attends school every day wherever possible. Regular attendance is so important in helping children to make the most of their learning, friendships and wider school experience.

It has been a wonderful start to the new academic year, and we look forward to all that the year ahead will bring.

A big thank you to all the parents who joined us this week to support their children with our school name project. It was lovely to see families learning and creating together!

Chrissie is back in school this week and is supporting the children with their learning. Khaya, had reading time with Chrissie for making good choices and finishing her work.

Nuts, as we have children and staff with severe nut allergies. This includes, amongst other things; peanut butter, carrot cake & Nutella

Also remind your child not to share food brought from home as some of our children have food allergies.

Please remember to keep us updated if you move house, change your phone number or email address.
