Issue 4

2nd October 2026

After a year of planning and valuable input from our pupil governors, we were delighted to have our new dining hall wall art installed this week. This was made possible thanks to a generous donation from the PTA. All the fundraising they do throughout the year, including the Christmas Fayre, Summer Fayre, Colour Run, and more, helps make projects like this a reality. Thank you so much for your continued support.

Our next major focus will be replacing the climbing frame in the infant playground and exploring new options for Key Stage 2. We will be directing our fundraising efforts toward this over the course of the year and beyond. If anyone has contacts in playground equipment or knows of a local business that might be interested in supporting or sponsoring this project, please let us know!

We had a wonderful turnout of food donations for Harvest today. These will be collected next week and distributed locally via the Hope Church Food Bank. Thank you so much for your generosity and for making a real difference in our local community.

Classes with 100% attendance earn a mufti day.

Reception had a fantastic time celebrating Miss Ames' Day! The children loved making headbands, printing daisies, and singing and dancing at the school party. Alongside the celebrations, they have been working hard on their handwriting this week, practising using the correct pencil grip for mark-making.

Wanted: Pre-loved Duplo!

Our Year 2 children are ready to build, create, and construct during playtime, but we need more bricks! If you have any unused Duplo gathering dust at home, please consider donating it to Year 2. Every single brick will be put to brilliant use. Thank you for helping us make playtimes even more fun!

And the wait is over for the announcement of the new Year 5 Digital Leaders...

Drum roll please!

Congratulations to you all!

Looking forward to working with you all over the next two years.

Year 1 enjoyed a super cozy movie night watching Winnie the Pooh! There was plenty of laughter, fun, and happy faces as we journeyed through the Hundred Acre Wood together. What a fantastic way to end the day!

Rainbow Class had a really fantastic day celebrating the lovely teacher Miss Ames! Miss Ames loved daisies, arts and crafts, bright colours, singing and dancing. Every child made their very own headband to wear, and we printed lots of beautiful daisies too! The children enjoyed lots of dancing throughout the day. We had so much fun!

Chrissie has found it quite tiring being back at school! She made full use of her fidget cushion in class this week!

We recently held a special afternoon tea party to celebrate Mrs Williams, who retired at the end of last term. It was a truly memorable afternoon as current and former colleagues gathered over tea and cakes to catch up, share stories from years past, and see how the school has grown. We extend a heartfelt thank you to all our returning staff members for taking the time to visit us, and to everyone who helped organise such a lovely event.

Indigo Class had so much fun taking part in some of Miss Ames' favourite things! They danced their crazy socks off, cooled down with some yoga stretches, and created beautiful daisy chains out of paper, straws, and string. They made the day so special in loving memory of Miss Ames. Keeeeeep Dancing!!!

SUPPORTING YOUR CHILD WITH FEARS AND WORRIES

The aim of this workshop is to understand how anxiety may present itself during early childhood and how parents can support their children in managing this.

This workshop will help parents to

- Identify common worries and anxieties
- Learn strategies to support children who experience anxiety
- Where possible embed these strategies to prevent anxiety from escalating.

This workshop will be held in-person at your child's school

Date: Thursday, October 22nd, 2026

Time: 08:50-09:50am

To attend this workshop parents are requested to register using the

Parent registration link: [MHST PARENT REGISTRATION FORM FOR PRIMARY SCHOOL AUTUMN TERM IN-PERSON WORKSHOP – Fill in form](#)

Alternatively, you can scan the **QR code** to register

Once the registration is complete you will receive further details of the workshop.
